Re affairs of the Degala Dodda matt and Chicka matt at Kankanhalli.

From

The Dy Commr., Bangalore District

Letter No. NO 12 Dated 2nd August 1907.

The Degala Dodda matt and Gavi matt otherwise called Chicka matt are Muzrai institutions endowed with inam lands measuring (vide Inam Regr. Slip A) joints A 60-15 assessed at Rs 131-12-0, which have been confirmed as devadaya at the Inam Settlement in 1877. There appear to be two matt buildings in Kankanhalli presided over by two Lingayet Swamis. In the Inam Regr. the names of the two matts is mentioned & the inam lands

kept in the management of the Manager pro tem. So the two matts appear to be one and the same for all intents & purposes.

In December 1901 one Lettara Channappa & certain others petitioned this Office complaining that the affairs of the Matts were mismanaged, that feudings &c was not regularly conducted & that the Priests of the matt had alienated the inam lands &c endowed to the matt, by sale, mortgage & otherwise ~~This petn was forwarded to the Dy Comm for report~~. It was also represented that the Priest of the Chicka matt was trying to appoint his nephew as Swami in place of the old Swami of the Dodda matt. The petrs prayed that the matts & the inams might be taken over under Govt management.

The petn was forwarded to the Dy Comm: for report.

The Dy Commr. (Mr. H. A. Sparkes) reported in February 1903 that the Priests of the matt had not sold or mortgaged the inam lands of the matt, but that they had leased them out and that they were gratuitously feeding the persons that visited the matt. It was also reported that the contention of the Petrs that the inam lands had been alienated was not supported by documents. It was also reported that one of the Petrs stated that the Priests had brought up two children to succeed them but that the Petrs did not produce sufficient evidence to establish his statement. The Dy Commr stated that the matt was kept in good condition

Thereupon, further enquiry Slip D

No. 89 of 4th July 1903 regarding
the reasonableness of the leases
granted, the misappropriation
of the income of the Matt and the
contemplated succession of a Swamy
to the Dodda Matt.

Meanwhile, petns from the Slip E.
Swamies of the Matts and from
certain others which were received
in this Office praying that orders
might be issued to the Taluk authorities
to restrict themselves to the extent
of satisfying themselves that
Services &c were being regularly
conducted in the Matt, leaving
the Swamies to manage the affairs
thereof as per manual, were forwarded to the Dy Comm.

In pursuance the D.C. Comm. reported that the main lands of the Matt had been leased out without fixing the period of lease & that some had been given out on permanent Kandayam. The income of the lands was stated to be Rs 270-11-0 & deduction Rs 15-11-6 being the Jodi payable to Govt., the net income was Rs as 254-5-. It was stated that if the leases were cancelled the income would be increased by about 100 Rupees. It was also reported that no accounts had been maintained from the commencement in the Matt & that the priests deposed that accounts would be maintained [illegible]

In regard to the nomination of a successor to the matt, the D/ Comm:r reported that the Priest had given a Muchalika to the effect that previous sanction w:d be obtained &.#

In his subsequent report no 184 of 18th June 1903, the D/ Comm:r stated that he visited Kankanhalli on the 12th June 1903 and perused the records in which was the Muchalika obtained from the 2 Gowns on the 28th October 1903 in which they agreed to take proper care of the matt and all its property & not to appoint any new Gowns, that the two Gowns appeared before him & stated that one Sijur Basappa had been appointed by them as Gowni denying the contents

The Vernacular records were received from the D/Comm^r with his letter No. 12 D/ 2nd August 1907 in which there are petitions from a number of Lingayets of Kankanhalli in which they say that the Gurus have been properly feeding those that come the Matt, that they are managing the affairs of the Matt & that as one of the [illegible]

Muzrai Secretary's Remarks.

The same Deputy Commissioner Mr. Sparkes gave two opinions at two different times. In the first report he spoke in favour of the Gurus of the Matt, but in the second he wrote against them. Many petitioners say that the present management of the Matts is good but their having leased out the lands for very long periods is not beneficial to the insti tutions. It would perhaps be sufficient to leave things alone warning the Gurus that they should mana

the affairs properly and keep regular accounts in future.

A successor to the Dodda Matt appears to have been actually appointed without obtaining the sanction of Govt. Many petitioners represent that the succession might be recognized as it was done with all due formalities obtaining in the Matts. The Gurus should, I think, be now told that they were wrong in having taken the step without permission and that Govt sanction will be accorded only after receiving a report from the Deputy Commissioner as to the eligibility of the boy Guru nominated by them. The Deputy Commissioner will be requested to institute further enquiries in this behalf and submit a report.

Sir,

With reference to your docket No 1137 dated 27th January 1902, forwarding for report two petitions of Settra Chennakka and others about the mismanagement of the Degala Dodda Matt and Chikka Matt in the Kasaba Kankanhalli of the Kankanhalli Taluk, I have the honor to state that the matt is endowed with Inam lands as will be seen from the list

list enclosed in the record. On enquiry, the Amildar has reported that the agents of the Matts have given depositions to the effect that they have not sold or mortgaged the Inam lands of the Matt, but that they have leased them out and that they gratuitously feed the persons that visit the matt. The petitioner states that the Matt agents have mortgaged and sold the lands as per details shown in the list recorded in the Amildar's presence but no registered documents or other evidence was adduced in support of his Complaints. One of the witnesses

On the side of the petitioner States that the agents of the Matts have brought up two Children born without wedlock to succeed as heads of the Matt, but he says he cannot produce sufficient evidence to establish it. The Matt is reported to be kept in good Condition and the Inam attached to it as fertile and valuable.

The Vernacular records connected with the case are submitted for reference

His Letter no 892 dated 21st February 1903, reporting on the petition of Settiru Chinnappa and others ~~on~~ regarding the alleged mismanagement of the Begada Doddu matt and the Chikka matt in the Kankanahalli town.

With reference to the above has the honour to observe that there are 3 points stated in the Complaint petition, viz, that the Swamy

lands endowed to the mutts
have been alienated; that-
the income of the mutts
is misappropriated; and
that the ~~Priest~~ Priest-
of the Chicken mutt is trying
to have his nephew appointed
as Priest of the Dondra
mutt in place of the old
Priest.

As regards the first-
Complaint, it is observed
from the Vernacular records
that the two mutts have
been endowed with extensive
and valuable Inam lands
and that though they have not
been actually alienated,
they have been leased out-
to third parties for long
periods, in consideration

of the advances had received
on those lands - This
procedure amounts to
alienation, unless it can
be satisfactorily proved
that each land has
been based out for reason-
-able quitta, when compared
with the surrounding income on the
lands - An enquiry in
this direction should be
held and reported upon-

Secondly, as regards
the complaint that the
income of the waste is
misappropriated :—

It is observed from
the statement of the Priests
of the waste given before the
Lokal Auditor on the
27th September 1902, that-

No

No books of accounts
are maintained in the matts
to show the annual income
and expenditure of the
Institutions. This more
statement that the expenditure
of the matts is more than
the income ~~cannot be~~
is too vague to be accepted.
A statement in the annexed
form[x] should be called
showing the receipts and
expenditure from the Income
Lands.

Thirdly as regards
the contemplated succession
to the Dondra matts: —

It is reported that
the allegation contained
in the complaint-petition
is not true. The Ag Govt

Sir,

With reference to your No. 89 dated 8th July 1903, calling for certain particulars regarding the alleged mis-management of Degala Dodda Matt and Chicka Matt in the Kankanhalli Town, I have the honor to state that the Amildar of the Taluk to whom the matter was referred reports in his Nos 353 and 575 dated 21st September 1906 and 12th June 1907 respectively, that out of the Inam lands endowed to the Matts, some have been leased out in front

without fixing the period of lease, and some have been given out on permanent Kandayam. The gross income from these lands per annum is Rs 270-11-4, out of this a sum of Rs 15-11-6 has to be paid to Government towards jodi on the lands and the net income is Rs 254-15-6. The Amildar further remarks in the statement of Inam lands accompanying his Ittilla that if the present leases are cancelled and the lands given out to others, after proper enquiry, the income will be increased by at least Rs 100/. From this it is inferred that the lands have not been leased out for reasonable Gutta.

2. As regards the particulars of income and expenditure of the Matt, the Amildar reports that on enquiry, the priest deposed

that no accounts have been maintained from the commencement and that if now ordered he would maintain them in future. The record shews that the Amildar had so long back as 1903 informed the priests that they should obtain the previous sanction of Government for the selection of their successors and a Muchalika to that effect obtained from them is filed in the records.

3. The entire file of Vernacular papers bearing on the subject is herewith forwarded for reference and kind return.

Sir, With reference to your No. 5540 dated 28th May 1907, forwarding for enquiry and report ~~petition~~ from a number of Lingayet residents of Kankanhalli Town, complaining that the Guru of the Lingayet Matt situated near the River Arkavati has secretly arranged to hand over the Asrama to an illiterate boy by name

Iyyan Basappa, I have the honor to state that when I paid a visit to Kankanhalli on 4th June 1907, I perused the file of previous correspondence in connection with the mismanagement of this Matt and amongst them were found a Mutchalika taken from the two Gurus of the Lingayet Matt on 28th October 1903. In this Mutchalika they have agreed to take proper care of the Matt and all its property and not to appoint any new Guru without the previous sanction of Government.

2. Both the Gurus appeared before me and said that they were doing the work jointly. Marla Sidda Devaru admitted the execution of the Mutchalika referred

referred to above as also the ap-
-pointment of the boy Iyyuri
Basappa, but stated that the
boy had been appointed at the
instance of the other Guru Channa
Basappa Devaru and that he
was present at the installation
1 and that Government sanction
had not been asked for. He
however denied all knowledge
of the contents of the Mutchalika.
The other Guru Channa Basappa
Devaru while admitting the
execution of the above Mutchalika
stated that he was instrumental
in appointing this boy, but that
he had forgotten all about the
mutchalika, being an old man.

3 From this it is clear that
the boy has been appointed by these
men in contravention of Government

Proceedings No 233-42 dated 14th
Mng. 102-92

December 1892 and consequently the boy cannot be recognised as Guru. As from this and the former Proceedings brought to light in 1903, it is very evident that the above named men cannot be trusted with the affairs of the Kutch. In the above circumstances, I beg to solicit orders of Government in the matter.

4. The Vernacular file referred to in para 1 is forwarded with my letter No 183 of this date. The enclosures received with the docket under reference is herewith returned.

Order thereon :— No. 1415-6 dy 12.9.07

Encls. 1 to 4 Pls

The Desala Dodda Mutt and the Kavi Mutt, otherwise

known as the Chickka matt at Kankanhalli, are Muzrai institutions endowed with inam lands. One Lakkana Nanjappa & certain other Linagets of the place petd. Govt complaining that the affairs of the matts were mismanaged, that feedings &c were not conducted properly & that the Gurus of the matts had alienated the inam lands, and that they were trying to appoint a successor to the Dodda matt. The petrs prayed that the

Mathas and their income lands might be taken under Govt. Management b. The Guruas of the Mathas in their petn dated prayed that the local Officers might restrict themselves to the extent of satisfying that feedings &c in the Mathas were properly conducted leaving them to manage the affairs thereof.

2. Mr. H.H. Spankie Dy Commr of the Bangalore Dt. reported in Feby 1903 that the priests of the Mathas had not sold or mortgaged

the inam lands but
that they had leased them
out, and that they were
gratuitously feeding the
persons that visited the
matts & that the matts
~~was~~ were kept in good condition.
Upon further enquiries
made of that Officer, he
reported in his subsequent
communications that
the inam lands of the matts
had been leased out without
fixing the period & that
some of the lands had been
given out on permanent
Kandayam, & that if the

leases were cancelled the
income would be increased
by about 100 Rupees.
It was also reported
that no accounts had
been kept in the matter
in regard to the appointment
of a Successor to the Matts
the Dy Comm: reported that
one Aijun Basappa had
been appointed by them. He
was therefore of opinion
that the Govt could not be
trusted with the affairs of
the matts & solicited their orders
of Govt.

3. From the records

received with the D/
Comm's last letter on
the subject, ~~the Govt~~
observe that the same
D/Comm: on Speaker gave
two opinions at two
different times. In the
first report he spoke in
favour of the Govts, but
in the second he reported
~~against them. Many petrs~~
and from the petitions received,
it is observed
~~Govt~~ that the present management
of the Matts is good but
that the fact of
the Govts having leased
out the lands for very
long periods is not beneficial
to the institutions. Under

these circumstances, the
Govt. consider it sufficient
to leave things alone warning
the Guru that they should
manage the affairs of the
matts properly & keep
regular accounts in future
& the leasing out of the
inam lands permanently
is not admissible, steps
as far as possible,
should be taken, to cancel
such leases. || In regard
to the nomination of
a successor, the Govt. observe
that one Aijur Basappa
has been actually appointed
without Govt. sanction being obtained beforehand.

many petitioners represent that the Succession might be recognized as it was done with all due formalities obtaining in the matter. The Govrs should be told that they were wrong in having taken the step without permission. If however, the newly appointed Govr is one that the community approve of the Govt will not object to his succession. The Dy Commr is requested to submit a further

report in this matter
after consulting the
community.
